Office of Research

Willson Center for Humanities and Arts

October 19, 2022

Joshua McNeill
Department of Linguistics

Dear Mr. McNeill,

I am pleased to inform you that the Willson Center for Humanities and Arts Advisory Board has awarded you a Graduate Research Award of \$1,000 for your project, "The expression of race in Louisiana French subject pronouns among Creoles and Cajuns." The award is supported in part by the Graduate School. The funds will be applied directly toward your student account as a scholarship, so please contact the Office of Student Financial Aid for questions regarding your account (706) 542-6147. Please contact [Winnie Smith](#) in our office with your 810#.

It is a requirement that the Willson Center be recognized as a source of support in any activity related to your award. Successful applicants are required to submit a report of their activity by June 1 of the year in which the award is held. This should include any performances, installations, publications, contracts, conferences, lectures or research visits undertaken with help from these funds. Details about the report will be communicated to you in late spring.

As a Graduate Research Award recipient, you agree to participate in the UGA Three Minute Thesis (3MT) Competition in the spring. [3MT](#) is sponsored by the Graduate School. More details and updates will be available on their website.

Congratulations on your award and best wishes for success in your program of study.

Yours truly,

Nicholas Allen
Director, Baldwin Professor in Humanities

Cc: Dr. Meredith Welch-Devine, Assistant Dean, Graduate School
Prof. Keith Langston, Department Head, Linguistics
